April 02nd/03rd - Plymouth QAB (full)
April 16th/17th -- Plymouth QAB

Compressor Operators Course

We will be running a compressor course on the 26th of March in the club house at the reservoir. We only have 6 places on this course and the cost will be £26 to cover the cost of the pack. This course is open to **all** members. It is a half day course and you will need to bring a packed lunch if required, tea/coffee is provided. You should book your place with

Mark Smith at :-
training@dudleynautilus.co.uk

CAPERNRWY

There is a club dive scheduled to take place on the **27th** of March to Jackdaw Quarry Capernwray (**subject to numbers**). Please advise Graham if you are going before Friday 25th at divingofficer@dudleynautilus.co.uk or on 07796621611.

If numbers are not sufficient then a dive to Dosthill can be arranged.

Visit there web site for details. <http://www.dive-site.co.uk/>

You should have seen the size of the pole that got away!!

I have finally updated the club web site. This is a general refresh and updating of links and club info so at least it is now usable. Have a look at it on www.dudleynautilus.co.uk. There is now a video page in the members pages and a updated newsletter page. You can read committee meeting minutes in the committee news page (2010 will be added when I get them). If you have any thing that you wish to have included (and for those who remember the AGM you know what I mean) please forward it to me at comms@dudleynautilus.co.uk

That's it for this month. A bit short and sweet but I hope it will be useful.
